**DIRECTIONS TO TRI-STATE NEUROSURGICAL ASSOCIATES
WHEELING OFFICE**

FROM MORGANTOWN, WV

Follow 1-79 North from Morgantown to Washington, PA then merge onto 1-70 west to Wheeling, WV. Follow 1-70 west to Exit 2B (Washington Avenue). CAUTION: This is an extremely short ramp off the interstate. Turn left at red light at the end of the exit ramp. At red light turn left cross over the bridge (you will go over 1-70). Go through the traffic light and turn left onto Mount de Chantal Road. You will be traveling parallel with 1-70 East on Mount de Chantal Road to the hospital. Drive past the Howard Long Wellness Center, the continuous Care Center and Dialysis Center (all located on the right hand side).

FROM MOON TOWNSHIP

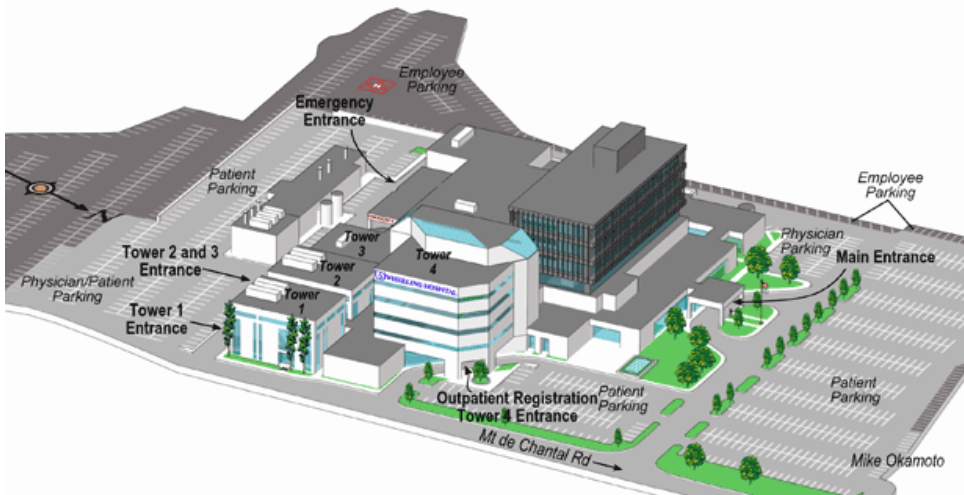

Follow Route 22/30 East to 1-79 south to Washington, PA. Merge onto 1-70 West to Wheeling, WV. Follow 1-70 west to Exit 2B (Washington Avenue). CAUTION: This is an extremely short ramp off the interstate. Turn left at red light at the end of the exit ramp. At red light turn left cross over the bridge (you will go over 1-70). Go through the traffic light and turn left onto Mount de Chantal Road. You will be traveling parallel with 1-70 East on Mount de Chantal Road to the hospital. Drive past the Howard Long Wellness Center, the continuous Care Center and Dialysis Center (all located on the right hand side).

FROM YOUNGSTOWN, OH

Follow Route 7/11 south to East Liverpool and take the Wellsville Exit. This exit will be Route 7 south. Follow Route 7 south to Martins Ferry. After going through the 2nd traffic light you will take the next exit which will be 1-70. Get into the left lane on the ramp and go to the stop sign at the bottom. Proceed to the red light and turn left. You will go over railroad tracks then a bridge (this is actually Wheeling Island). Continue to go to the 1st red light and get in the left lane while continuing on through the second light. Follow the road up and you will be going under the interstate. Be extremely cautious attempting to access as you will need to get into the far left lane. The road will go through the Wheeling Tunnel. You will pass the Olgebay Park exit and you will take the next exit which is Exit 2B (Washington Avenue). At the end of the exit ramp make a right and an immediate left. Drive past the Howard Long Wellness Center, the continuous Care Center and Dialysis Center (all located on the right hand side).

DIRECTIONS FROM CAMBRIDGE, OH

Follow 1-70 East to Wheeling, WV. Follow 1-70 East through Wheeling Tunnel take Exit 2B (Washington Avenue). At the red light at the end of the exit make a right then an immediate left. Follow the road to Wheeling Hospital you will drive past the Howard Long Wellness Center, the continuous Care Center and Dialysis Center (all located on the right hand side).
